MEMORANDUM FOR THE RECORD

Morning Meeting of 21 July 1965

DDI tabled the draft of the paper, previously requested by DCI, dealing with a National Planning Task Group for Vietnam. DCI invited comments from those to whom DDI has given copies.

DDI noted that the Agency has liaison officers at SAC and NORAD and mentioned a thank you letter from NORAD for this service.

DDI noted an Embassy Moscow report that the Soviets have established a Committee for the Liberation of Alaska.

[redacted] reported on the current ARC LIGHT mission. No details are available yet. [redacted] gave DCI a revised handbook on U.S. aircraft.

25X1

DDS referred to the Agency's Interim Assignment Section and noted that State Department is reviewing our procedures in this regard with a view toward establishing something like this in the Department.

deSilva noted that Colby, who was bumped from the SecDef's party enroute back to the U.S., has cabled a report from [redacted]

25X1

The Inspector General gave a status report on an ex-employee who may have in mind writing a book.

At DCI inquiry, Houston reported on actions taken to amend the transcript of the DCI's appearance before the Senate Foreign Relations Committee. Houston noted that we have made appropriate suggestions that Chairman Fulbright and Senator Morse read the memo on the history of Communism in the Dominican Republic.
